

# GP – Spin

## Graduate Program in Spintronics

We are inviting Prof. Dr. Grünberg Peter Andreas from Peter Grünberg Institute(PGI), Germany to give us the following seminars.

**Do not miss these opportunities to hear lectures by a Nobel laureate!**

### Aobayama campus

1. 2014/11/20(Thu) 16:30~18:00

@ **Room301** ,Physics lecture hall [H-24] Aobayama campus

2. 2014/11/25(Tue) 16:30~18:00

@ **Room318**, Physics lecture hall [H-24] Aobayama campus

**Topic:** The discovery of interlayer exchange coupling and giant magnetoresistance

※ All the seminars will be given in English

※The place for the second seminar may be changed, so keep an eye for updates.

### Prof. Dr. Grünberg Peter Andreas

1969:Technical University Darmstadt, Germany (PhD)

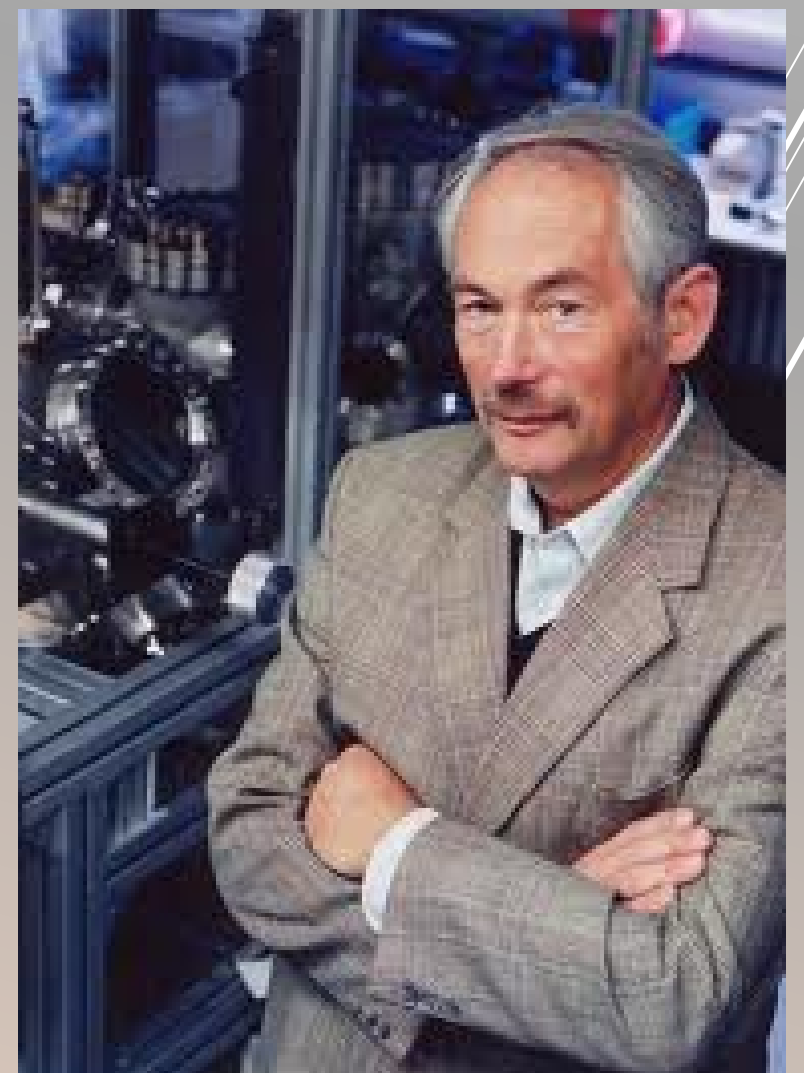

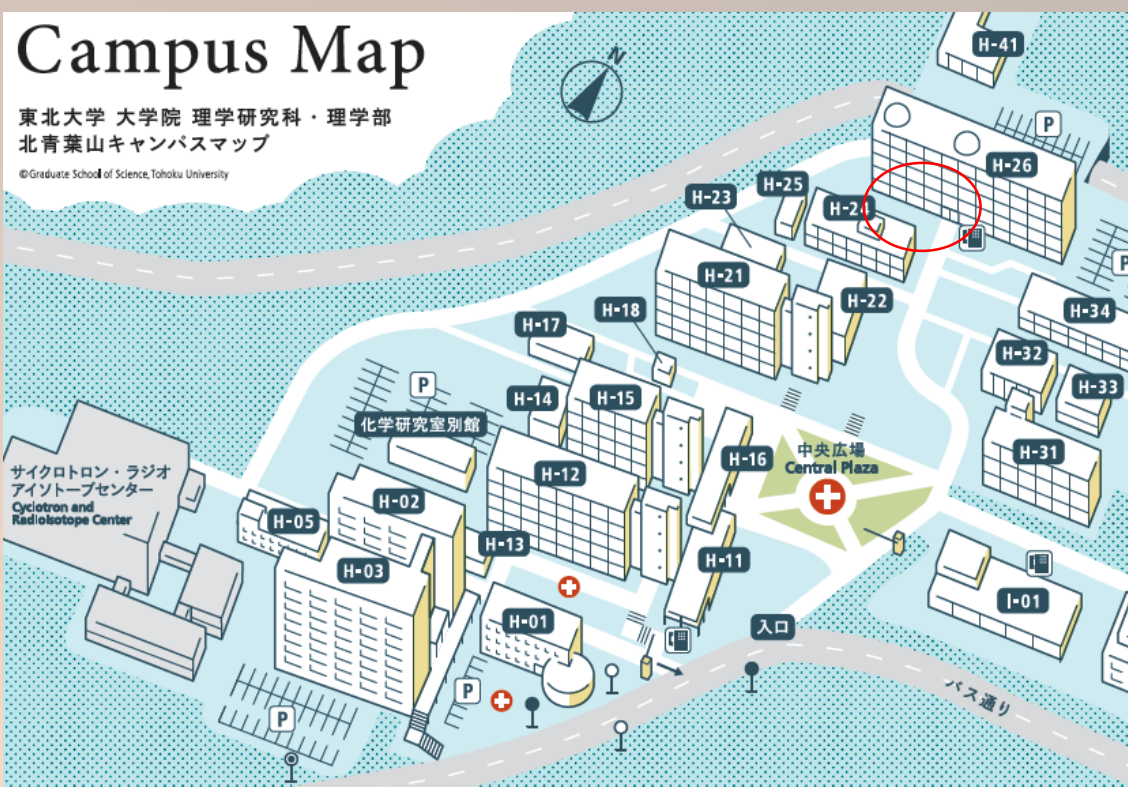

1984:University of Cologne, Germany (habilitation)

2007:Novel Prize in Physics

### Main field: Magnetism
