

# GP – Spin

## Graduate Program in Spintronics

We are inviting Prof. Dr. Grünberg Peter Andreas from Peter Grünberg Institute(PGI), Germany to give us the following seminars.

**Do not** miss these opportunities to hear **lectures by a Nobel laureate!**

### Katahira campus

1. 2014/11/14(Fri) 16:30~18:00

@ Lecture hall in the building No.2, IMR, Katahira campus

2. 2014/11/18(Tue) 16:30~18:00

@Lecture hall in the building No.2 IMR, Katahira campus

**Topic:** The discovery of interlayer exchange coupling and giant magnetoresistance

※ All the seminars will be given in English

### Prof. Dr. Grünberg Peter Andreas

1969:Technical University Darmstadt, Germany (PhD)

1984:University of Cologne, Germany (habilitation)

2007:Novel Prize in Physics

### Main field: Magnetism
