

GP-Spin Seminar

Quantum Computation and Simulation in Silicon

10:30~12:00

Wednesday, **February 14**, 2018

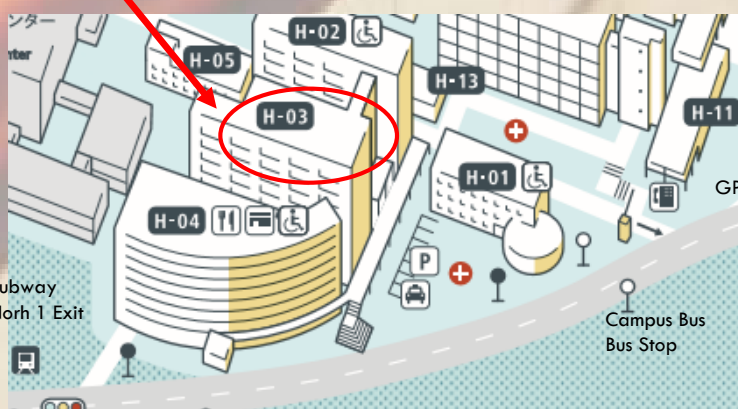

Room **745**

Science Complex B [H-03]

School of Science

Aobayama Campus, Tohoku University

Room 745

Aobayama Campus, School of Science

Professor Sven ROGGE
Scientia Professor
Head, School of Physics

Chief Investigator, ARC Centre for
Quantum Computation and
Communication Technology
University of New South Wales
