

Dr. Bhaskaran Muralidharan

Associate Professor
Department of Electrical Engineering,
Indian Institute of Technology Bombay, India

1st Seminar

February 23, 2018

Hyperfine assisted quantum dot thermal machines and Quantum Clocks

Time 4:00pm-5:00p,pm

Venue 743, 7th floor, Science complex B

2nd Seminar

February 27, 2018

**Quantum resistors in series:
How well can an MTJ perform?**

Time 10:30am-11:30am

Venue 745, 7th floor, Science complex B

Science Complex B Building,
School of Science,
Aobayama Campus
