

TOHOKU
UNIVERSITY

The 2nd Symposium for World Leading Research Centers

– Materials Science and Spintronics –

Date Feb. **16** Sat ▶ **18** Mon , 2019

Location Sendai International Center

Outline

Tohoku University was named one of the first three Designated National Universities in Japan on June 30, 2017 by the Japanese Government. As a Designated National University, Tohoku University initiated the World Leading Research Centers in four research fields; materials science, spintronics, next-generation medical care and disaster science. We will hold, continuing from last year, the 2nd symposium on the two research fields, Materials Science and Spintronics to show our research results and discuss future prospects.

Plenary Speakers

- **Alan Lindsay Greer**
[AIMR/ University of Cambridge]
- **Kang Wang**
[University of California, Los Angeles (UCLA)]
